KENDRIYA VIDYALAYA LEH

WINTER HOLIDAY HOMEWORK

CLASS: 4TH SUBJECT: EVS

1) Draw a picture of your own house and describe it in your own words in your Scrap Book.

- 2) Good food is essential for health. It helps us to grow, gives us energy and protects us from diseases. So, make a chart on different Nutrients.
- 3) Environment Day is celebrated on 5th of June all over the world. On this day, people get together and make certain plans for environmental protection. How can you contribute towards this noble cause in and around your house?
- 4) A simple machine is a tool that makes our work easier and faster with the use of less energy. Write any five simple machines that we use in our daily life and mention their uses.
- 5) Make a poster on "Save Water, Save Life".
- 6) Find out and enlist which games your parents and grandparents used to play in their childhood.
- 7) write a short note on following national park of our country.
 - a. 1. Valley of flowers national park.
- 2. kaziranga National park.

b. 3. Jim corbett national park

- 4. Gir National par
- 8) Imagine you are a bird. What will you use to make your nest and how will you make it?

NOTE: - DO REVISE ALL THE CLASSWORK DONE DURING THIS ACADEMIC YEAR AND BE WELL PREPARE FOR YOUR FINAL EXAM.
